## A Message from the CEO

Reconciliation Australia welcomes Statewide Novated Leasing to the Reconciliation Action Plan (RAP) program with the formal endorsement of its inaugural Reflect RAP.

Statewide Novated Leasing joins a network of more than 3,000 corporate, government, and not-for-profit organisations that have made a formal commitment to reconciliation through the RAP program.

Since 2006, RAPs have provided a framework for organisations to leverage their structures and diverse spheres of influence to support the national reconciliation movement. The program's potential for impact is greater than ever, with close to 3 million people now working or studying in an organisation with a RAP.

The four RAP types — Reflect, Innovate, Stretch and Elevate — allow RAP partners to continuously develop and strengthen reconciliation commitments in new ways. This Reflect RAP will lay the foundations, priming the workplace for future RAPs and reconciliation initiatives.

The RAP program's strength is its framework of relationships, respect, and opportunities, allowing an organisation to strategically set its reconciliation commitments in line with its own business objectives, for the most effective outcomes.

These outcomes contribute towards the five dimensions of reconciliation: race relations; equality and equity; institutional integrity; unity; and historical acceptance.

It is critical to not only uphold all five dimensions of reconciliation, but also increase awareness of Aboriginal and Torres Strait Islander cultures, histories, knowledge, and leadership across all sectors of Australian society.

This Reflect RAP enables Statewide Novated Leasing to deepen its understanding of its sphere of influence and the unique contribution it can make to lead progress across the five dimensions. Getting these first steps right will ensure the sustainability of future RAPs and reconciliation initiatives, and provide meaningful impact toward Australia's reconciliation journey.

Congratulations Statewide Novated Leasing, welcome to the RAP program, and I look forward to following your reconciliation journey in the years to come.

Tommy is a highly creative and talented individual who paints and plays didgeridoo professionally for corporate events and Festivals in both Australia and overseas, having performed at locations from Germany to Disney World, Florida to the Sydney Opera House.

His Uncle Lenny in Charleville taught Tommy to paint he captures the brilliant colours of the desert sunsets and in the foreground, he depicts figures in ceremony, native animals and rocky outcrops. ## Our RAP

Statewide recognises our responsibility to acknowledge and respect the First Nations peoples experiences and stories. The history of Australia both past and present affects us all, staff and customers included. Our RAP Champion, Jessica Wyvill, is proudly part of an Aboriginal family. Jessica is driving and championing internal engagement and awareness of the RAP. We are developing our RAP in order to actively contribute to the reconciliation movement in a considerate and mindful way. In developing our RAP we decided that our key objectives were engaging our senior leaders with assigned deliverables with the view of actively promoting engagement within our company and establishing relationships with First Nations stakeholders in our community to seek guidance and advice.

The implementation of our RAP will align with our overarching commitment to maintain integrity, honesty and respect. Reconciliation Australia's RAP framework will allow Statewide, our employees, customers and community to come together, share and acknowledge our histories and celebrate our differences. We have faith that our RAP will allow us to create strong and respectful relationships with First Nations peoples and assist us in moving forward together towards a reconciled Australia
